# The TRANSFORMING DISCIPLESHIP workshop

Our one-day workshop adapted as four 90 minute interactive webinars that will equip you to implement FIC's 3-pronged approach and get you started using Freedom In Christ for "Remote Discipleship".

## > WHY?

"Go therefore, and make disciples of all nations!" Jesus' Great Commission to His Bride is a clarion call for a radical, authentic life of leading others to follow Him.

We want a strategy for discipleship that transforms lives, but too often we reduce it to a list of dos and don'ts. We want to see Jesus' followers transformed and ready to respond to God's call to transform the nations. But how?

This event will equip you to implement a truly transforming strategy for discipleship which will see your people walk in freedom and fruitfulness, and released to bring God's transformation to others.

## > WHAT?

We will practically demonstrate the 3Ts of the FIC approach:

- TRUTH - why knowing your new identity in Jesus is the key to unlocking truly transforming discipleship
- TURNING - how fully understanding the nature of the spiritual battle we are in ensures we can take the authority we have in Jesus, repent, and be set free from all that holds us back.
- TRANSFORMATION - how walking on in fruitfulness is about recognising lies and continually renewing your mind to the truth.

## > WHO?

- For any leader wanting to explore a genuinely transforming approach to discipleship
- Anyone wanting to find out more about how Freedom In Christ can help equip you to make disciples who can transform the nations.
