

*Thank you for an amazing year!*

Christmas comes round so fast (much to the delight of my kids!) and this year really is no exception! We have had such an action-packed and eventful year and have been so blessed by all God is doing and saying - with a sense that "expansion" is very much at the heart of God's plans and purposes for us as we enter 2024.

We couldn't do any of it without your wonderful support and wanted to say a huge thank you for taking this journey with us!

The year started with our ever-popular Online Freedom Courses for Leaders, and preparations

or our International Family Gathering which, long delayed by the pandemic, was finally hosted in the UK this year.

Nearly 200 Team members from across the globe came, including our founder Neil Anderson who launched his final book: *Thriving Through The End Times*. Steve Goss and the International Team shared how God is expanding the ministry across the world and I... well, I ironically caught Covid and had to be content with the live-stream! It was nevertheless an amazingly powerful time to be refreshed and re-envisioned to proclaim Jesus' freedom to His bride with boldness and courage.

As Neil was in the country we thought it would be fun to take him to London, and interview him about *Freedom In Christ*. As Europe's oldest palace, prison & fortress, what better place to talk to our founder about freedom than the Tower of London?

Next up in our eventful year was, finally (!) our "Funding Freedom" skydive. After 3 postponements due to weather, Rob & Bex were beginning to wonder (hope!) that God was suggesting don't do it... However, after lots of prayer we finally took to the skies! It was exhilarating - but as soon as we touched the ground we both decided never again!!! Overall the Appeal raised over £45k, which is just amazing.

The second half of the year has been no less exciting - seeing lots of breakthrough into new churches and denominations and new relationships forming with Resource, YouVersion and RightNowMedia.

## Our Internal Family Gathering

A particular highlight was being invited to Love and Joy Ministries Annual International Conference in Liverpool, which was a wonderful opportunity to meet the team there, and introduce the Freedom In Christ approach.

October saw the filming of our brand new Grace Course. It was fantastic to be part of the presenting team, and after months of hard-work learning the scripts, we were let loose in front of the cameras! Over two days we filmed all 8 sessions, the Steps to Experiencing God's Grace, and an extra session on Stronghold-busting - all in a beautiful barn. We were even joined by our very own llama!

The project includes a 54-day devotional in partnership with YouVersion on the Bible app, a new introductory course called The Wonder of Grace filmed by RightNowMedia, and two new books. Between them RightNowMedia and YouVersion have over four and half million subscribers so we are excited to be able to share God's Amazing Grace with literally millions more people.

In the meantime, November saw "Alive in Christ" launched - a new course that seeks to encourage believers from more traditional churches to embrace the freedom Jesus has won for them. It's been a delight to partner with with ReSource (formerly Anglican Renewal Ministries) on the project and we're praying that many encounter and embrace Jesus' freedom whole-heartedly through it.

It's nearly the end of the year and we have just started a new funding campaign for the Grace Course. We are looking to raise £100,000 to complete the project and thanks to some amazing donors providing a matched funding pot of £40,000, almost every donation will be doubled! Do join us in prayer as we seek God for His ongoing provision.

We are so excited to see what God will bring to the ministry in 2024. We pray that your Christmas & New Year will be filled with His abundant grace and blessings, and we thank you for all your support!
