

AN INVITATION TO

GO + MAKE

*Disciples*

“GO THEREFORE AND MAKE DISCIPLES  
OF ALL NATIONS, BAPTIZING THEM IN  
THE NAME OF THE FATHER AND OF THE  
SON AND OF THE HOLY SPIRIT,  
TEACHING THEM TO OBSERVE ALL THAT  
I HAVE COMMANDED YOU. AND BEHOLD,  
I AM WITH YOU ALWAYS, TO THE END  
OF THE AGE.”

# THE INVITATION

*Go therefore and make disciples of all nations, baptizing them  
in the Name of the Father and of the Son and of the Holy Spirit,  
teaching them to observe all that I have commanded you.  
And behold, I am with you always to the end of the age.*

*Matthew 28:18-20*

Jesus chose just 12 disciples, and from those 12, the Gospel message has spread extraordinarily across the planet. From disciple to disciple, nation to nation, and generation to generation, this message has continued to save, free, transform and empower lives, by allowing people to step into their true identity as children of God.

However, there is still much to be done; this call made by Jesus over 2,000 years ago still remains. It is the call of every child of God to 'go and make disciples'; but with each culture and every new generation come fresh challenges to that call.

And that is why *Freedom in Christ Ministries (FICM)* exists: to help, support, equip and empower the church to take these challenges on – head on!

# OUR MISSION

At *Freedom in Christ* we feel a deep sense of God saying: *'Now is the season to enlarge the place of our tent, lengthen the cords and strengthen the stakes' (Isaiah 54:2-3)*. To do that we need to take this message wider, deeper and more global...

## GO WIDER

The teaching and tools that we have transform individuals, marriages, families, churches and communities. We want to see every Christian Leader in the UK equipped to disciple every generation and every culture.

## GO DEEPER

It's not converts who make disciples, but disciples. We are committed to supporting leaders as they help others realise their true identity, get free, become transformed, and step into their mandate from God. No matter what they struggle with, no Christian is too messed up to 'go and make disciples'. We are passionate about enabling you and your teams to help everyone realise their potential in Christ.

## GO GLOBAL

*Freedom in Christ* is currently working in over 40 countries. The UK office works hard to share what we learn and help produce up-to-date resources and training that can be used by our global Freedom family. We are also committed to help realise God's provision for our international brothers and sisters who are in less affluent countries.

## JOIN US

This mission is huge – bigger than anyone of us – but together we can work to fulfil the call of Christ. Will you **engage** with our message, help **equip** others and **enable** us to take this teaching and tools wider, deeper and more global?

## ENGAGE

The start is to begin you own freedom journey. Get familiar with our tools and teaching; no-one can give away what they don't have themselves. Time and time again, we see how our courses help people get hold of the truth of who they are; turn away from what is holding them back and be transformed by the renewing of their mind. When this happens we see extraordinary transformation in individuals, marriages, families, ministries, churches and communities.

## EQUIP

Once you have begun your own journey, you are well placed to equip others. Running our courses in your own church is a fantastic way to equip others. Want to take it wider? How about hosting one of our events. By hosting one of our training events not only do you get excellent, cutting-edge training for your own team, but you sow more widely into your region by allowing other leaders to engage and be equipped with our teaching and tools.

## ENABLE

Freedom in Christ cannot do what we do without a team of individuals, charities and churches who sow directly into this work. This new season sees us taking this Wider, Deeper and more Globally which means that we have fresh opportunities for you to join us by sowing in to this mission with prayer and finance. Will you partner with us as we go and make disciples?

# ENGAGE

We want to support you in your own freedom journey, so that you can see the greatest possible fruit in every sphere of your life. It's a kingdom principle that 'you cannot give away what you do not have'; people are increasingly seeking authentic, free leaders who live by what they teach, who's faith they can imitate (*Heb. 13:7*).

We offer some simple ways for you to connect with the TRUTH, TURNING and TRANSFORMATION tools of the FIC approach:

## TRUTH

The easiest way to engage with the FIC message is through Steve Goss's four books *The Discipleship Series*, or to run either 'disciple' or the 'Freedom In Christ Course'. If you want to go deeper, you can read *Victory Over The Darkness* and *The Bondage Breaker*, by Neil T. Anderson.

## TURNING

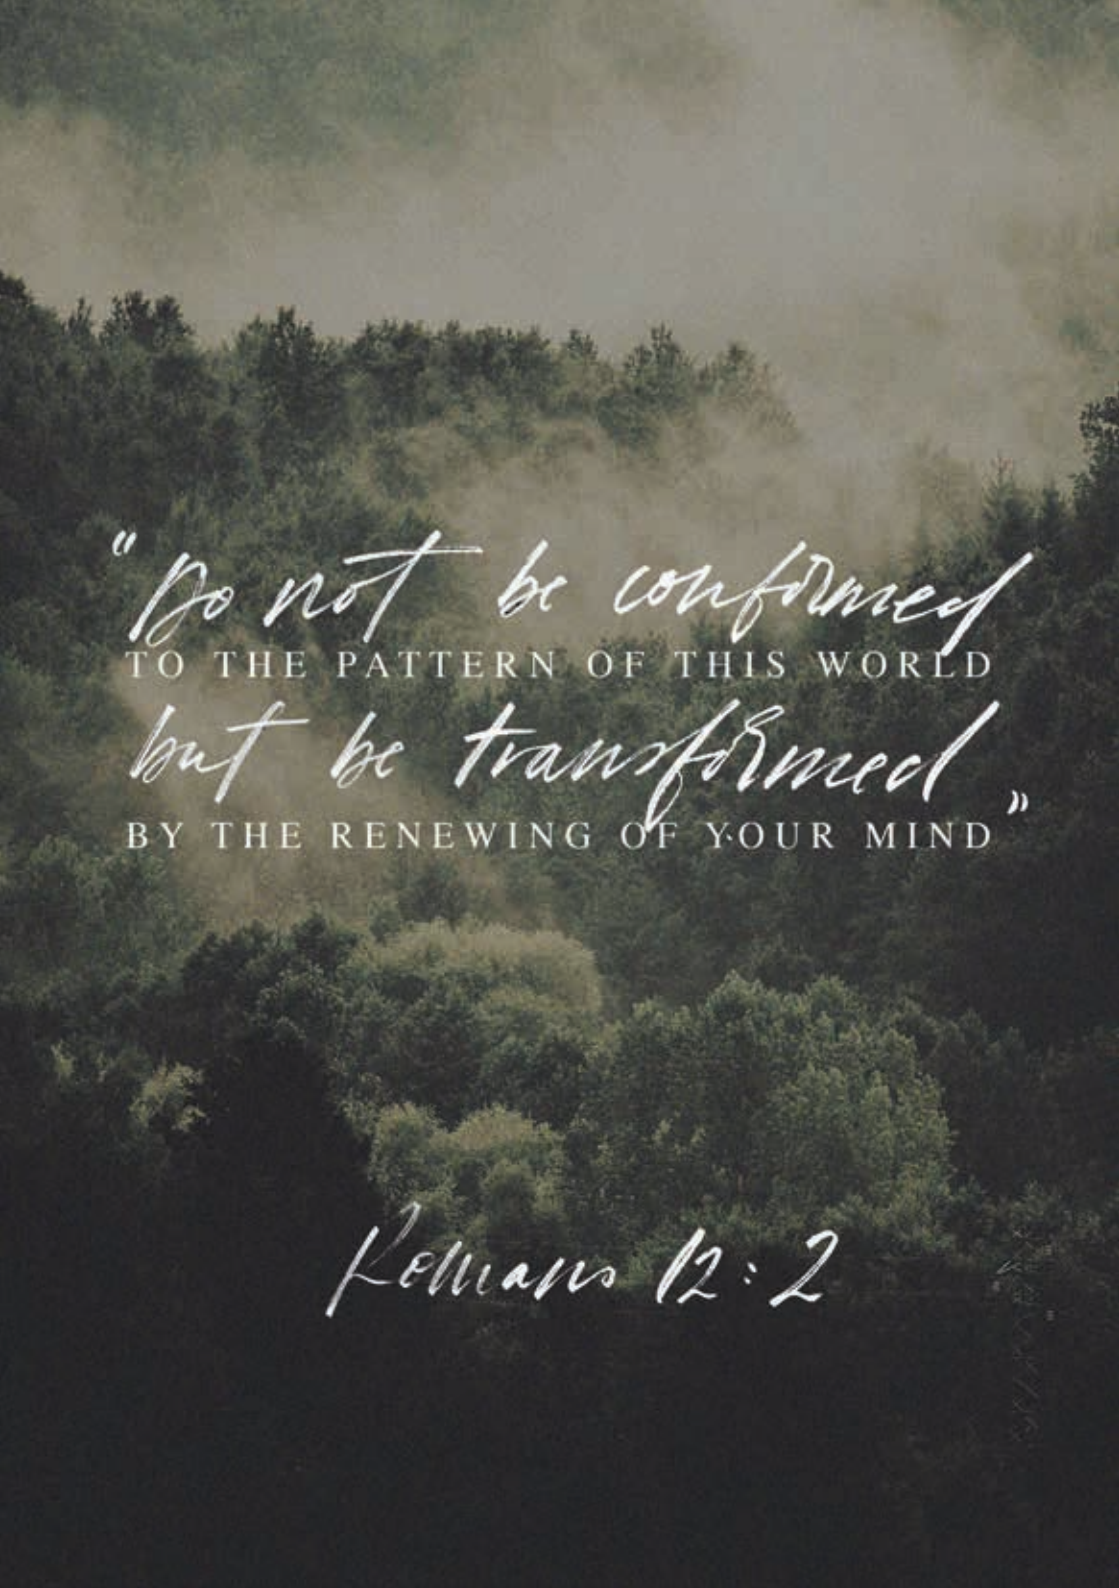

We are able to take up to 2 leaders in each church or ministry through *Steps To Freedom In Christ*, once you have digested the key teaching. Being encouraged with your own confidential Freedom Appointment is an excellent opportunity to experience the Steps in action, get radically right with God yourself, and be trained to use the approach with others.

## TRANSFORMATION

After your Freedom Appointment, your Encourager will help you devise your own 'stronghold-buster' (*2 Cor: 5:10*), so that you might be transformed by the renewing of your mind (*Rom 12:2*).

TO THE PATTERN OF THIS WORLD  
but be transformed,"*

# EQUIP: HOST AN EVENT

Hosting a training event is a great way to equip your own team and sow more widely into other leaders, equipping and enabling them and their teams in turn.

What is more, when churches in one region really engage and are fully equipped with the FIC message, we see significant shifts in the spiritual atmosphere. There's an openness to the Gospel and real reason to hope for transformation in individuals, churches and whole communities!

## LEADER'S BRIEFING

An opportunity to spend 2 hours with the FIC Team to evaluate how the FIC Approach could work in your church, covering our 3 core principles and introducing our resources.

## TRANSFORMING DISCIPLESHIP

A full day interactive workshop that will equip you and your team with everything you need to implement the FIC approach, helping every Christian grow to maturity and bear fruit that will last!

## HELPING OTHERS WITH DEEPER ISSUES

A two-day training event for those called to help people resolve deeper issues – ideal for ministry teams wanting to be equipped with a practical methodology that builds on Freedom principles.

## DISCIPLESHIP CHALLENGE

A one-day interactive workshop unpacking the challenges for discipleship with the 18-30s “missing generation”, and turning them into opportunities for radical fruitful discipleship.
